

Safe Ministry Code of Conduct

Grace Church Bega Valley

I commit to conducting myself in a manner consistent with the Safe Ministry Check Training Course when serving at Grace Church Bega Valley.

I will treat adults, children and young people with respect and value, without favouritism.

I will behave appropriately, being faithful to my appointed tasks, being an example to others, and being careful in how I physically interact with others.

I will never use physical punishment or abusive language - even as a form of discipline.

I will act transparently, as far as possible, ensuring that another adult is present or within eyesight when I am with a vulnerable person (including other people's children).

I commit to ensuring that the spaces and activities I'm responsible for are safe and do not put people at risk of significant harm.

I commit to including vulnerable people (and/or their carers/significant other) in discussions about decisions that will significantly affect them.

I commit to encouraging openness by listening to people's concerns with a willingness to support them and help them.

I commit to reporting any concerns or suspicions about harmful behaviours and significant risks to the Grace Church Bega Valley Safe Ministry Contacts without bias or partiality.

I will submit to the Grace Church Bega Valley leader screening process to ensure I'm a suitable person to work with vulnerable people.

I will submit to disciplinary steps if I am found to violate these commitments or act in an otherwise inappropriate or illegal manner at Grace Church Bega Valley.

Grace Church's policy is that:

- All volunteers at Grace Church are required to sign our Code of Conduct
- All training is delivered online at: <https://gracechurchbv.safeministrycheck.com.au/>
- All Grace Church attendees are encouraged to complete the free online awareness course every 12 months.

 - complete the online Safe Ministry's Volunteer's Course prior to serving,

 - provide the relevant screening checks (these are collected by the online system)
- Everyone should refresh their online training every 12 months.
